

Advanced Imaging and Cardiac Imaging Prior Authorization for Molina

Molina providers serving Medi-Cal members in Los Angeles County must continue to follow Molina's current process of submitting prior authorization requests for advanced imaging and cardiac imaging services to its participating physician groups (PPGs) or directly to Molina via telephone at 1-855-714-2415 or fax at 1-877-731-7218. Molina providers may also submit prior authorization requests via Molina Healthcare's website at <https://provider.molinahealthcare.com/Provider/Login>.

Health Net of California, Inc. and Health Net Community Solutions, Inc.'s (Health Net's) agreement with National Imaging Associates, Inc. (NIA) to provide utilization management determinations for non-emergent outpatient advanced imaging services and cardiac imaging for fee-for-service (FFS) members does not impact Molina providers.
