CONTRACTUAL | MAY 11, 2018 | UPDATE 18-307 | 3 PAGES

Injectable Medication HCPCS/DOFR Crosswalk Reference Table Updated – 2nd Quarter 2018

On April 10, 2018, the Pharmacy and Therapeutics (P&T) Committee approved updates to the Injectable Medication Healthcare Common Procedure Coding System (HCPCS)/Division of Financial Responsibility (DOFR) Crosswalk. The approved updates are effective July 17, 2018, and are listed on pages 2 through 3. The DOFR categories into which injectable medications are placed mirror the DOFR matrix categories located in the *Provider Participation Agreement (PPA)*. The update includes:

- The addition of 14 new medications and their DOFR categories.
- Updates and changes to six injectable medication procedure codes.
- One update to the primary DOFR category.

ADDITIONAL INFORMATION

Relevant sections of the provider operations manuals have been revised to reflect the information contained in this update as applicable. Provider operations manuals are available electronically in the Provider Library, located on the provider website at provider.healthnet.com.

Providers are encouraged to access the provider portal online at provider.healthnet.com for real-time information, including eligibility verification, claims status, prior authorization status, plan summaries, and more.

If you have questions regarding the information contained in this update, contact CalViva Health at 1-888-893-1569.

THIS UPDATE APPLIES TO MEDI-CAL PROVIDERS:

- Physicians
- Participating Physician Groups
- Hospitals
- Ancillary Providers
