State of Emergency:

Support for Health Net Members Impacted by Carr Fire in Shasta County

Health Net of California, Inc. and Health Net Life Insurance Company (Health Net) are providing assistance to members in Shasta County affected by the Carr Fire. We want to ensure members that have been evacuated, or lost their homes, have access to health care services and prescriptions through the next 30 days or until the state of emergency has been lifted.

On July 26, 2018, Governor Jerry Brown declared a state of emergency in Shasta County due to the Carr Fire, which has destroyed homes and structures, threatened critical infrastructure and caused the evacuation of residents.

Here's what you need to know:

PRESCRIPTION INFORMATION

Health Net will approve any essential prescription medications (with current copayments and deductibles) for any Health Net member in Shasta County whose medication was lost in a fire or remained behind during an evacuation. Providers should inform their Health Net patients that to obtain an emergency supply, affected members can return to the pharmacy where the original prescription was filled. If the pharmacy is not open due to the state of emergency, affected Health Net members can contact Health Net's Emergency Response line at 1-800-400-8987, 8:00 a.m. to 6:00 p.m. Pacific time (PT), for questions or assistance.

COPING ASSISTANCE

Health Net members who lost their homes or have been evacuated due to the current wildfire may contact MHN, Health Net's behavioral health subsidiary, for referrals to mental health counselors, local resources or telephonic consultations to help them cope with stress, grief, loss, or other trauma resulting from the fire. For the duration of the fire and its immediate aftermath, affected Health Net members may contact MHN 24 hours a day, seven days a week at 1-800-227-1060.
