

Opioid Use *(or Misuse)* in Pregnancy & Treatment

Do you want to hear about evidence-based patient care for better outcomes?

Health Net Community Solutions, Inc. (Health Net), on behalf of CalViva Health, is presenting a webinar to assist participating hospitals and providers in caring for women using opioids during pregnancy.

Health Net and CalViva Health encourage participating hospitals and providers to attend this informational and educational webinar to learn more about reducing impacts on maternal outcomes and share best practices on maternal care, the patient's pregnancy and postpartum journey.

Webinar topics	<ul style="list-style-type: none"> • Defining opioid use disorder • Effects of opioid use on pregnancy and pregnancy outcome • Antepartum, intrapartum and postpartum care • Role of the Obstetrician/Gynecologist and other obstetric care providers
Presented by	Dr. Jack Klein, FACOG Clinical Professor of Obstetrics and Gynecology, Washington University School of Medicine, Clinical Solution Consultant, Centene Corporation
Who should attend?	Hospitals, PPGs, OB/GYNs, PCPs, NPs, MDs, Pediatrics, PAs, and RNs
Date and time	Wednesday, September 19, 2018, 8:30 a.m. to 9:30 a.m. Pacific time (1 hour)
Webinar registration	Register for the webinar at www.surveymonkey.com/r/LVRZWF6 Once registered, a meeting invitation is sent with the webinar link and dial-in instructions
For questions	Contact CalViva Health at 1-888-893-1569
