Treatment Termination Notices

CMS requires that providers give members a two-day minimum advanced notice when discontinuing treatment

This communication contains information regarding the Centers for Medicare & Medicaid Services (CMS) treatment termination notice requirements for Health Net of California, Inc. (Health Net) Medicare Advantage (MA) providers.

MA participating providers must notify members at least two days in advance of a proposed termination date from one of the facilities below via a Notice of Medicare Non-Coverage (NOMNC), in accordance with Medicare rules in 42 CFR 422.620:

- Skilled nursing facilities (SNFs)
- Home health agencies (HHAs)
- · Comprehensive outpatient rehabilitation facilities (CORFs)

The NOMNC is posted on the CMS website at www.cms.gov/Medicare/Medicare-General-Information/BNI/MAEDNotices.html. This notification is required even when members agree that the treatment should be terminated.

Members may disagree with treatment termination decisions, and have the right to a fasttrack appeal and review process, which typically takes less than 48 hours and is completed before the proposed benefit termination date.
