

Webinar

Directory Accuracy

Why is This so Hard?

Using VerifyHCP™ to conduct provider data verification

As previously communicated on November 13, 2018, Health Net of California, Inc., Health Net Community Solutions, Inc. and Health Net Life Insurance Company (Health Net) have partnered with LexisNexis® Risk Solutions and American Medical Association (AMA) Business Solutions, to conduct its biannual outreach to comply with Health and Safety Code (HSC), section 1367.27 and California Insurance Code, section 10133.15.

Learn more about the outreach process by attending a webinar presented by LexisNexis Risk Solutions and AMA Business Solutions.

Webinar topics	<ul style="list-style-type: none"> • Understand the directory accuracy regulations driving health plans' requests to confirm or update provider demographic information • Become familiar with the VerifyHCP update process • Learn how LexisNexis Risk Solutions and AMA Business Solutions are trying to make the task of updating directories easier and more efficient
