

Support for Providers Treating Patients with Opioid Use Disorder

Learn about common, challenging situations that arise for patients being maintained on buprenorphine-naloxone in CSAM webinar

Health Net* providers are encouraged to attend the first of two free webinars on Medication Assisted Treatment (MAT) in primary care settings. This webinar series is created by the California Society of Addiction Medicine (CSAM) with support of a grant from the California Department of Health Care Services (DHCS).

WEBINAR REGISTRATION
