

You're working to treat opioid misuse. Let us help.

Register today for a FREE training to treat opioid use disorder (OUD) and qualify for the waiver to prescribe buprenorphine.

Buprenorphine is the first at-home therapy to treat OUD and offers great potential for expanding treatment.¹ Buprenorphine also has been proven to be a clinically effective therapy for OUD in populations including pregnant women. It's an essential tool for you to be even better equipped to treat OUD in your community.

Health Net* is sponsoring a FREE training for providers to qualify for the waiver to prescribe buprenorphine. This training will be conducted by the American Society of Addiction Medicine (ASAM).² It includes:

- ✓ Four hours of online training at your own pace
- ✓ Four hours of live, interactive training in St. Louis, Missouri, held from 8:30 a.m. to 1:00 p.m. Central time (CT) on four dates (or you can attend the live training remotely by streaming it on your device):
 - **March 29, 2019** • **September 13, 2019**
 - **June 28, 2019** • **November 8, 2019**

The three dates in *pink* feature curriculum designed for women's health providers in partnership with the American College of Obstetricians and Gynecologists (ACOG).

And you'll also get for FREE:

- ✓ Continuing medical education available
- ✓ A copy of the ASAM *National Practice Guideline*
- ✓ A reference guide and other clinical resources
