The Medi-Cal Incentive Program covers these Healthcare Effectiveness Data and Information Set (HEDIS) Measures:

HEDIS measure	Member incentive amount	Eligible members

How does it work?

1. Member receives incentive form mailer from Health Net* with a return, postage-paid envelope.

4. Member sends form back to Health Net, by mail or fax, within 90 days of completing all required labs or tests.

2. Member takes incentive form to their visit scheduled in 2019.

5. Health Net reviews and processes the form and sends member a prepaid card.

3. Provider signs and dates the incentive form. (Forms are also on the provider portal).

How can I help?

Remember to sign and date each form.

Where can I find and send in forms for members?

Providers can print from provider.healthnet.com under Working with Health Net > Quality > Member Incentives Medi-Cal. Fax completed forms to **1-800-628-2704**.

Please work with members to complete their office visits and screenings according to National Committee for Quality Assurance (NCQA) guidelines, which are available online at www.ncqa.org/hedis/measures. Members can receive one prepaid card per measure, e.g., if a member completes services for BCS and CCS, they will receive two prepaid cards. Services must be completed in 2019.
