Prior Authorization List Updates

Ultomiris™ approved by FDA, and a reminder about authorization for out-of-network services

Ultomiris™ has been approved by the U.S. Food and Drug Administration (FDA). It requires prior authorization immediately for fee-for-service (FFS) members. Ultomiris has been added to the Health Net* Prior Authorization Requirements list under *Outpatient Pharmaceuticals (Submitted under Medical Benefit)*.

Medication	FDA approval date and indication
Ultomiris	Approved on December 21, 2018, for the treatment of adult patients with paroxysmal nocturnal hemoglobinuria (PNH)

Providers assigned to a participating physician group (PPG) should refer to the PPG's prior authorization requirements.

OUT-OF-NETWORK SERVICES MUST BE AUTHORIZED

As a reminder, services from out-of-network providers require prior authorization. This does not apply to emergency services and self-referral services allowed under the Medi-Cal plan for select services.

AUTHORIZATION REQUIREMENTS CAN BE VIEWED ONLINE

- 1 Go to provider.healthnet.com.
- 2 If you are accessing the requirements before logging in, select *Working with Health Net > Policies for Non-Contracting Providers > Additional Resources > Services Requiring Prior Authorization*.
- 3 If you are accessing the requirements after logging in, select *Working with Health Net > Contractual > Services Requiring Prior Authorization*.

Instructions and contact information for submitting requests are included in list.
