

Improve your HEDIS® Quality Scores

HELP NON-COMPLIANT MEMBERS EARN A PREPAID CARD

The Medi-Cal Incentive Program covers these Healthcare Effectiveness Data and Information Set (HEDIS) Measures:

HEDIS measure	Member incentive amount	Eligible members
Cervical Cancer Screening (CCS)	\$25	Ages 21–64
Well-Child Visits (W34)	\$25	Ages 3–6
Childhood Immunizations (CIS-10)	\$50	Members turning 2 in 2019

How does it work?

1. Member receives incentive form mailer from California Health & Wellness (CHW) with a return, postage-paid envelope.

4. Member sends form back to CHW, by mail or fax, within 90 days of completing all required labs or tests.

2. Member takes incentive form to their visit scheduled in 2019.

5. CHW reviews and processes the form and sends member a prepaid card.

3. Provider signs and dates the incentive form. (Forms are also available for download from the provider portal.)

**How can I help?
Remember to sign and date each form.**

Where can I find and send in forms for members?

Providers can print from www.cahealthwellness.com under *For providers > QI Program > Member Incentives*. Fax completed forms to **1-800-628-2704**.

Incentive forms for Breast Cancer Screening (BCS) and Comprehensive Diabetes Care (CDC) coming soon! Details to follow.

Please work with members to complete their office visits and screenings according to National Committee for Quality Assurance (NCQA) guidelines, which are available online at www.ncqa.org/hedis/measures. Services must be completed in 2019.
