Free CME and MOC Credits

Change your patients' overall health with LA Smiles trainings

We are excited to help UCLA Dental Transformation Initiative (DTI) spread the word about *More LA Smiles* trainings.

By attending *More LA Smiles* trainings, you can:

- Change a child's overall health by integrating oral health into well-child visits.
- Get free continuing medical education (CME) and/or maintenance of certification (MOC) credits.

Four training options offered

More LA Smiles is offering four trainings that address oral health and the integration of medical and dental health. These trainings offer no-cost CME and/or MOC credits. Refer to the following sites for training information:

- Primary care physician quality improvement training – www.morelasmiles.org/pcpqj
- Clinical trainings – www.morelasmiles.org/medicalct

Additional information

You can find more info on the attached *More LA Smiles* flyers, brought to you by UCLA. You may also email moreLAsmiles@ucla.edu or visit moreLAsmiles.org.

For all other questions, contact the Health Net Medi-Cal Provider Services Center within 60 days at 1-800-675-6110.

No-Cost Clinical Training For Medical Providers

more LA smiles

A UCLA-led Consortium Funded by CA DHCS
through the California Medi-Cal 2020 Demonstration

Children tend to see a medical provider 8-11 times before they see a dental provider.

In an effort to improve oral health for children with Medi-Cal, we invite you to participate, at no cost, in clinical trainings. These programs are led by UCLA faculty to better equip Medical Providers to incorporate preventive oral health practices into well-child visits.

Overview of Pediatric Dental Caries, Risk-Based Caries Prevention and Disease Management

- A review of Medi-Cal 2020 Dental Transformation Initiative and More LA Smiles
- Prevalence and severity of caries in infants, children and adolescents
- Understanding dental caries
- Risk-based assessments and population-based approaches

Who Should Participate

Family Medicine Practitioners
Pediatricians
Nurse Practitioners
Physician Assistants
Clinical Support Staff

Advanced Pediatric Risk-Based Caries Prevention and Disease Management

- A review of rationale for medical involvement in children's oral health
- Understanding risk-based integrated oral health and dental care pathways
- In-depth instruction on:
 - Performing a caries risk assessment
 - Applying fluoride varnish
 - Implementing self-management goals

Who Should Participate

Family Medicine Practitioners
Pediatricians
Nurse Practitioners

Length: 1 Hour Credits: 1 CME Format: Online or In-Person

Length: 3 Hours Credits: 3 CME Format: In-Person

Primary Care Practice Quality Improvement

more LA smiles

A UCLA-led Consortium Funded by CA DHCS
through the California Medi-Cal 2020 Demonstration

Improve the Quality of Your Pediatric Preventive Services at No-Cost

Our **Primary Care Practice Quality Improvement** curriculum is comprehensive and focused on the implementation of oral health preventive services into well-child visits for children ages 0-6 years.

The services include:

- Oral Health Assessments
- Anticipatory Guidance
- Fluoride Varnish Application
- Dental Home Referral

Providers participate in a 1-hour on-site or live webinar overview of pediatric oral care, followed by technical assistance and implementation support personalized for your practice by a quality improvement specialist.

Length: 6 Months **Credits:** 30-50 CME and/or 20-25 MOC Part IV

What You Get

Additional Medi-Cal FFS reimbursement (\$18 for each fluoride varnish application)

30-50 CME credits and 20-25 MOC Part IV credits upon completion of the 6-month program

1-hour of customized training for providers and their staff

6 months of expert implementation support

Oral health educational materials

Smiles for Life Certification

Who Should Join

Pediatricians

Family Medicine Physicians

Nurse Practitioners

Physician Assistants

Clinical Support Staff
