

Feedback Needed – 2019 Provider Satisfaction Survey

Take a few minutes and let us know how we can provide better service to you as a health plan

Starting mid-September, randomly selected providers will receive the annual Provider Satisfaction Survey. SPH Analytics, an independent research firm, will conduct the survey. If you receive this survey, please take a few minutes to complete and respond via mail, online or telephone.

Survey responses help Health Net* measure its success in providing services for providers. The results of the survey also help direct administrative and operational changes to the plans, and assist Health Net in identifying strengths as well as areas for improvement.
