CONTRACTUAL | NOVEMBER 26, 2019 | UPDATE 19-929 | 3 PAGES

Injectable Medication HCPCS/DOFR Crosswalk Reference Table Update – 4th Quarter 2019

Approved updates are effective February 3, 2020

On October 15, 2019, the Pharmacy and Therapeutics (P&T) Committee approved updates to the Injectable Medication Healthcare Common Procedure Coding System (HCPCS)/Division of Financial Responsibility (DOFR) Crosswalk.

The approved updates are effective February 3, 2020, and listed on pages 2 and 3. Injectable medications are placed in DOFR categories that mirror the DOFR matrix categories in the Health Net* and CalViva Health *Provider Participation Agreement (PPA)*.

The update includes:

- Seven new injectable medications and DOFR categories.
- Updates and changes to 14 injectable medication procedure codes.
- One update to a category change.

Additional information

Relevant sections of the provider operations manuals have been revised to reflect the information contained in this update as applicable. Provider operations manuals are available electronically in the Provider Library, located on the provider website at provider.healthnet.com.

Providers are encouraged to access the provider portal online at provider.healthnet.com for real-time information, including eligibility verification, claims status, prior authorization status, plan summaries, and more.

If you have questions regarding the information contained in this update, contact CalViva Health at 1-888-893-1569.

THIS UPDATE APPLIES TO MEDI-CAL PROVIDERS:

- Physicians
- Participating Physician Groups
- Hospitals
- Ancillary Providers
