Medi-Cal Member ID Card Design Update

Continued acceptance of all valid ID cards required

Starting May 1, 2026, a newly designed Medi-Cal member identification (ID) card will be issued. This updated card design improves clarity and consistency by using a standardized layout, clearer labeling, and more prominent placement of key information to help members present their coverage and support quicker identification by provider office staff.

This change **does not impact** member eligibility, benefits or provider participation requirements.

The new Medi-Cal ID card will be issued to:

- **New members** enrolled on or after May 1, 2026.
- **Existing members** who request a replacement ID card.

Members who do not request a replacement will continue using their current ID card.

Acceptance of all valid Medi-Cal ID cards

- The existing card design remains acceptable and must continue to be honored.
