REGULATORY | AUGUST 10, 2026 | UPDATE 26-913 | 3 PAGES

Use Language Assistance Program to Meet Members' Language Needs

The Language Assistance Program (LAP) makes it easy for you to follow language service requirements

You can request no-cost interpreter services for your patients:

- Contact Community Health Plan of Imperial Valley Member Services at the phone number on the member's identification (ID) card or by calling the Provider Services Center at 833-236-4141.
- Send the request as soon as the appointment is made, but not less than five business days before the appointment.
- Use phone interpreter services for same day appointments or when an in-person interpreter is not available.
- On-demand phone interpretation is available for providers directly through the Provider Services Center at 833-236-4141. Now you connect directly to interpretation without waiting to speak to a Plan representative.

Our LAP supports members who have limited English proficiency (LEP), have hearing impairment or have low vision. The LAP requires contracted providers to adhere to the requirements outlined in this update.

Threshold language information

The threshold language for Community Health Plan of Imperial Valley members is Spanish.

Participating physician groups (PPGs) have access to members' preferred spoken and written languages through the Plan's Eligibility Report available on the provider portal at provider.healthnetcalifornia.com. Search under *Provider Reports*. Individual and ancillary providers can get members' language preferences by contacting the Plan's Provider Services Center.

PPGs delegated for utilization management (UM) may send member document translation requests for the threshold language or alternate formats to the Plan at provider_services@healthnet.com. We cannot accept scanned or faxed documents.

THIS UPDATE APPLIES TO:

- Physicians and Practitioners
- Participating Physician Groups
- Ancillary Providers
- Community Supports (CS) Providers
- Enhanced Care Management (ECM) Providers
- Behavioral Health Providers

PROVIDER PORTAL

provider.healthnetcalifornia.com

Community Health Plan of Imperial Valley ("CHPIV") is the Local Health Authority (LHA) in Imperial County, providing services to Medi-Cal enrollees in Imperial County. CHPIV contracts with Health Net Community Solutions, Inc. to arrange healthcare services for CHPIV enrollees. *Health Net Community Solutions, Inc. is a subsidiary of Health Net, LLC and Centene Corporation. Health Net is a registered service mark of Health Net, LLC. All other identified trademarks/service marks remain the property of their respective companies. All rights reserved.

CONFIDENTIALITY NOTE FOR FAX TRANSMISSION: This facsimile may contain confidential information. The information is intended only for the use of the individual or entity named above. If you are not the intended recipient, or the person responsible for delivering it to the intended recipient, you are hereby notified that any disclosure, copying, distribution, or use of the information contained in this transmission is strictly PROHIBITED. If you have received this transmission in error, please notify the sender immediately by phone or by return fax and destroy this transmission, along with any attachments. If you no longer wish to receive fax notices from Provider Communications, please email us at provider.communications@healthnet.com indicating the fax number(s) covered by your request. We will comply with your request within 30 days or less.

- Send the Word or unlocked PDF document with member name, member ID and member mailing address.
- Care plans must be at the 6th grade reading level or below.

Learn about members' demographics

In 2025, our membership data indicated the population of our members was as follows:

African American/Black	0.79%	• Of this population, 58.6% were members with LEP. • The top preferred non-English spoken language was Spanish (54.63%).
American Indian/Alaska Native	0.39%	
Asian	1.05%	
Hispanic	92.7%	
White/Caucasian	3.77%	
Other	0.34%	
Unknown	0.92%	

Take cultural competency training

We urge all providers to take cultural competency trainings offered by the Office of Minority Health (OMH). OMH offers no-cost computer-based training to help providers better serve a diverse population. The training programs are available at cccm.thinkculturalhealth.hhs.gov. The Institute for Healthcare Improvement has free materials and resources to improve language communication with patients. Download at bit.ly/AskMe3Questions. The Plan does not sponsor these trainings or materials. You can also access the Plan's cultural competency training for providers and staff at bit.ly/Cultural-Competency-Training. For information about interpreter services, cross-cultural communication and health literacy, contact the Health Equity Department at Cultural.and.Linguistic.Services@healthnet.com or by phone at 800-977-6750.

Provide your race and ethnicity

Consider providing your race and ethnicity information to the Plan. This information is voluntary and is used for health disparity reduction efforts.

Ensure your language services meet standards

Members with LEP must be provided with interpreter services. The Plan does not delegate the provision of interpreter services to providers. We encourage you to use the interpreters available from the Plan. Members have the right to file a grievance with the Plan and to file a discrimination complaint with the Office of Civil Rights if their language needs are not met. The Plan's LAP complies with the Health Care Language Assistance Act and regulations. Registration for live LAP trainings will be available in August.

Health equity resources to identify a member's language, interpreter services and more are available by emailing the Health Equity Department at Cultural.and.Linguistic.Services@healthnet.com.

Need help? Contact us

If you have questions regarding the information contained in this update, contact Community Health Plan of Imperial Valley at 833-236-4141. Behavioral health providers can call 844-966-0298; however, interpreter services should be requested by calling 833-236-4141.

Language services requirements	Prohibited language service practices
• Make sure interpreters are available at no cost to members at the time of the appointment. • Make sure members with LEP are not subject to unreasonable delays in the delivery of services, including after hours. • Extend the same program and activity to all members regardless of language preference. • Provide services to members with LEP that are as effective as those provided to all members. • Record the member's language needs and request or refusal of interpreter services. • Send UM or care management document alternate format or translation requests to the Plan within 48 hours of request from member. • Use interpreters or qualified bilingual staff to communicate with members with LEP. • Provide translated member grievance forms upon request.	• Ask or require members to take their own interpreter. • Rely on staff other than qualified bilingual staff to communicate directly with members with LEP. • Use of a minor or attending adult to interpret or help with communication, except: - In an emergency where a qualified interpreter is not available. You must note the emergency in the member's medical record. A parent cannot give permission for a minor child to interpret in any circumstances. - If the member asks for the attending adult to interpret, that adult must agree to assist and the reliance on that adult is fitting. Note in the member's medical record the reason for the use of an attending adult as an interpreter. • Delay the appointment time due to no availability of interpreter services.

LAP FOR ALL PROVIDERS	
Language assistance service or document	Explanation
Qualified interpreter services that comply with California requirements	In-person, video remote or phone interpreters are available at no cost. Phone interpreters are available in more than 150 languages 24/7. Use of phone interpreters does not require advance notice. Interpreters can offer insights on common cultural communication issues. We provide guidance on compliance with state requirements for the use of bilingual staff.
Sign language services	American Sign Language (ASL), Tactile, Certified Deaf, Pidgin Signed English (PSE) and Signed Exact English (SEE) interpreters are available.
Medical record documentation	Document the member's language preference (including English) and the refusal or use of interpreter services in the member's medical record.
Member grievance/complaint forms	Provide translated member grievance forms upon request (available in the Provider Library at providerlibrary.healthnetcalifornia.com , select <i>Medi-Cal > Forms and References > Member Appeal or Grievance Form</i>).

LAP FOR PPGs ONLY	
Language assistance service or document	Explanation
Non-discrimination notice and notice of availability	Include non-discrimination notice and notice of availability with information sent to all members (available in the Provider Library at providerlibrary.healthnetcalifornia.com , select <i>Medi-Cal > Forms and References > Nondiscrimination Notice and Taglines</i>).
Translation services	UM or care management materials must be made available to members who have a preferred language or format listed on the Plan's Eligibility Report. The PPG must send the document within 48 hours. Refer to the threshold language information on page 1.
