

Heads Up!

Be Aware of Changes for Your Cal MediConnect and D-SNP “Look Alike” Patients

Stay up to date on plan transitions for 2023 and upcoming trainings at www.healthnet.com/providers/DSNP

On January 1, 2023, members enrolled in a Cal MediConnect (Medicare-Medicaid Plan) or a dual eligible Special Needs Plan (D-SNP) “look alike” will transition to another plan that provides:

- **An integrated approach to care coordination** – A dedicated care team works in coordination with you – the member’s provider – to ensure all the member’s health needs are met.
- **Extra resources and support** – D-SNP plans offer other benefits that can’t be received through original Medicare, including preventive dental and vision care, prescription drug benefits, coverage for over-the-counter health items, and more.

Information to help support you and your patients

Providers can access the **D-SNP Resources for Providers** site at www.healthnet.com/providers/DSNP for information to help support you and your patients.

On the site you’ll find:

- **Which plan your patient will transition to** for 2023.
- **Questions and answers about D-SNP**, including county-specific changes.
- **D-SNP provider communications** to help you stay informed on the latest news.
- **Links and information about upcoming D-SNP trainings and webinars** – Coming soon.

We will update the site regularly with more information as it becomes available. Be sure to bookmark the site and check it often for updates.

Watch for additional information

Additional communications will be sent as we get closer to January 1, 2023. These will include updated webinar training dates and times, and instructions for checking eligibility, sample member identification (ID) cards for 2023 D-SNPs, case and care management process changes, and more.
