

# Online Tip Sheets Offer Quick Information with Best Practices

You will find topics about anxiety treatment options, colorectal cancer screening, and more all in one place

It's easy to access quality improvement tip sheets online. Some tip sheets include Healthcare Effectiveness Data and Information Set (HEDIS®) guidance. They are updated and posted on the website throughout the year and include new topics.

Below is a list of the most current tip sheets available to you based on the lines of business. We encourage you to check them out.

| COM <sup>1</sup> | CMC <sup>2</sup> | MCL <sup>3</sup> | Title   |
|------------------|------------------|------------------|---|
| X                | X                | X                | Alcohol and Other Drug Treatment  |
| X                | X                | X                | Anxiety and Treatment Options to Improve health Outcomes – Learn More about Anxiety and Treatment Options to Improve Health Outcomes                                      |
