¹The Department of Health Care Services (DHCS), Department of Managed Health Care (DMHC), Centers for Medicare & Medicaid Services (CMS), and National Committee for Quality Assurance (NCQA) require health plans to assess and report availability by contracted providers.

Coverage for every stage of life™

Directing patients to the appropriate after-hours care can:

- Reduce improper use of emergency room (ER) services.
- Improve health outcomes.

Be sure to discuss after-hours and weekend access to care during your first visit with each patient and at least yearly.

After-hours access	🕑 Standard
Emergency care	Call 911 or go to the emergency room.
Urgent care	Call the provider's office 24 hours a day, 7 days a week. Expect a call back from a provider within 30 minutes.

Scripts are available so you can tell your patients how to access timely care when they call after business hours. Sample scripts can be found on the provider portal.

C Telephone response	🕑 Standard
Telephone answer time at provider's office	Answer calls within 60 seconds.
Telephone call back during normal business hours for non-urgent issues	Call patients back within 1 business day.

Schedule same day access

Advance Access is the system of scheduling same-day appointments. The plan urges same day access to appointments for your patients.
