## Programs That Help Support Better Health Outcomes

Learn about current and pending 2021 Quality Improvement outreach programs for Health Net\* Medi-Cal members.

The chart below lists health plan outreach programs to motivate members to schedule important preventive appointments and help increase rates for priority Healthcare Effectiveness Data and Information Set (HEDIS®) measures. It includes program descriptions, launch dates, plus applicable counties for each targeted HEDIS measure. Outreach programs and deployment are subject to change.

## Outreach programs for Health Net members in Central California counties: Kern and Tulare

| Adult outreach programs                            | Launch date | Counties        | Description   | HEDIS measures   |
|--|-------------|-----------------|---|--|
| Chronic Conditions Medication<br>Adherence Program | Q1-Q4       | Kern and Tulare | Health plan pharmacists reach out to members with uncontrolled diabetes and hypertension who are not adhering to their prescribed medication. Pharmacists use motivational interviewing techniques to identify and address member barriers to medication adherence. | Comprehensive Diabetes Care, HbA1c Poor Control (> 9.0%) (CDC) Controlling High Blood Pressure (CBP) |
| Cervical Cancer Screening (CCS) with Icario        | Q2          | Kern            | Interactive voice response (IVR) and email outreach to a subset of women with gaps in cervical cancer screening. This outreach addresses common barriers and encourages members to schedule a screening with their primary care physician (PCP).                    | Cervical Cancer Screening (CCS)  |
| Adult Member Incentive Program                     | Q1-Q4       | Kern and Tulare | Comprehensive member incentive program for target HEDIS measures. Select members are notified of incentive offers and can redeem incentives for completed healthcare activity via short message service (SMS), phone, email, mailer and digital platform.           | Cervical Cancer Screening (CCS)     Breast Cancer Screening (BCS)                                    |
