PROVIDER SATISFACTION SURVEY

Last year Health Net* made key improvements in the following areas:

- Network/coordination of care
- Health plan call center service staff
- Provider relations

Our **annual provider satisfaction survey** will launch later this summer and we hope you'll take a moment to share your feedback.

This survey serves as the foundation for key improvement initiatives that we undertake each year, and your feedback is critical to making sure we address the issues that are important to you.

We look forward to learning about how we can continue to improve your experience in doing business with us.

Please look for our survey in the coming weeks.
