

Reminder! Register Today to Learn How to Reduce Implicit Bias for Maternal Health

Take this no-cost on-demand training designed to help you stay compliant with California Dignity in Pregnancy and Childbirth Act (SB 464)

The *Strengthening Cultural Humility, Dismantling Implicit Bias in the Healthcare Setting* online training can help meet your needs. Presented by Dr. Sayida Peprah-Wilson, the training helps increase awareness of implicit bias, with a focus on maternal and perinatal health. It also helps you stay compliant with the California Dignity in Pregnancy and Childbirth Act (Senate Bill 464).

Course overview

This training focuses on increasing cultural conscientiousness, sensitivity and humility. It can help broaden participants' awareness of their own implicit biases (subtle, unconscious assumptions about others). It also equips them with tools to engage with members in more open, respectful and empathetic ways. Improvement in these areas can help impact quality of care and outcomes.

This course meets the requirements of California State Laws on implicit bias training for:

- AB-1407: Nursing schools and programs to include implicit bias training as a core part of their curriculum.
- AB-241: Physicians and surgeons.
- SB-464: Perinatal care staff at hospitals.

Who should attend?

- Clinical and non-clinical medical staff
- Pediatricians
- OB/GYNs
- MDs and other health care professionals
