

Resources to Help You Easily Navigate the Availity Essentials Provider Portal

Explore tools and training to simplify core transactions and optimize your experience

As a reminder, Health Net*, on behalf of Community Health Plan of Imperial Valley, has partnered with Availity Essentials to offer select secure provider portal services¹, such as member eligibility and benefits check, submit and track claims, submit authorizations, and access specific payer resources.

To help you get started, refer to the below topics outlined in this communication:

- A crosswalk comparing the Availity Essentials functionalities specific to each health plan.
- Information on selecting a correct payer when checking for member eligibility and benefits.
- Prerecorded trainings on how to effectively use the Availity Essentials provider portal.
- Instructions on how to register for an Availity Essentials account, if you have not already.

Self-guided crosswalk

A crosswalk comparing Health Net's to the new Availity Essentials' functionalities was developed to help you transition from the Health Net secure provider portal to Availity Essentials.

1. Log in to Availity Essentials
2. Search for "Crosswalks for Centene health plans"
3. Expand the California section
4. Download the crosswalk(s) to learn more

THIS UPDATE APPLIES TO:

- Physicians
- Participating Physician Groups
- Hospitals
- Ancillary Providers
- Community Supports (CS) Providers
- Enhanced Care Management (ECM) Providers

PROVIDER SERVICES

**CHPIV Medi-Cal
(including ECM and CS providers) –
833-236-4141**

Access on-demand trainings

The below recorded webinars are available now in the Availity Learning Center. To access these on-demand resources, log in to Availity Essentials and select **Get Trained** under **Help & Training**.

- Availity Essentials Introduction (General Navigation, Payer Space(s), Eligibility & Benefits, and more)
- Authorizations & Referrals
- Claims & Encounters
- Claim Status

How to register for an account

To create an account, follow the instructions in the table below. Your provider organization's designated Availity administrator is the person responsible for registering your organization in Availity Essentials and managing user accounts. This person should have legal authority to sign agreements for your organization.

If you...	Then...
Are the administrator	Go to Register and Get Started with Availity Essentials at www.availity.com/documents/learning/LP_AP_GetStarted/index.html#/ Select <i>Get Started</i> . Follow the prompts until registration is complete. Once you have registered for an account, you will receive email communications from Availity Essentials about upcoming training webinars
Are not the administrator	Your designated Availity administrator will determine who needs access to Availity Essentials on behalf of your organization and will add and manage user accounts.
Are not sure who is the administrator	Share this information with your manager to help determine who will be the designated Availity administrator for your organization

Additional information

If you need assistance with your Availity Essentials registration or have questions regarding the crosswalk and trainings, or the Payer selection, contact Availity Client Services at 800-282-4548, Monday through Friday, 5 a.m. – 5 p.m. PT.

For other general questions, contact Community Health Plan of Imperial Valley at 833-236-4141.

¹ Please note that some transactions will still be managed through the current Health Net secure provider portal. If you choose not to switch to Availity Essentials for the above-mentioned portal transactions, you can still access the existing Health Net secure provider portal at provider.healthnetcalifornia.com, just like you do today.
