

Register Today for No-Cost Provider Webinars that Improve Communication, Patient Access to Care and Team Performance

Expert-led sessions designed to support better care, timely access and stronger care teams

Health Net*, on behalf of CalViva Health, invites participating physician groups to join a series of no-cost provider webinars. These sessions offer practical insights from industry experts to help clinicians strengthen patient relationships, improve access to timely care and enhance team efficiency.

What you'll learn

A better care experience with A.I.M.

Learn how the assess, improve, manage (A.I.M.) framework helps you understand patient priorities, improve satisfaction, and strengthen teamwork, coordination, and access.

Improve patient access to timely care

Gain strategies to better match provider availability with patient demand, reduce barriers and ensure timely access to needed care.

Align patient and clinician expectations

Understand why expectations differ and use a practical win-win negotiation model to align patient and clinician goals during visits.

Manage for service excellence

Learn why challenging interactions occur and build the skills and confidence to respond professionally and consistently as a team.

Thrive in a busy practice—avoid “burnout”

Identify burnout risks and apply proven strategies to stay resilient, focused and energized in a demanding practice environment.

Improve service excellence through successful phone communication

Improve phone and in-person communication by creating strong first impressions, resolving inquiries efficiently and shaping patient perceptions of access.
